State Reports Total Employed

The state departments of employment and industrial relations reported this week that approximately 4,755,000 persons were employed in civilian jobs in California at mid-April. The total is about 42,000 higher than at mid-March. Normal spring pick-up in farm activity and in canning and preserving of fruits and vegetables accounted for the bulk of the rise in employment, the state officials said. The increase was accompanied by an 11 percent drop in unemployment, with about 198,000 persons jobless at mid-April. The total civilian labor force, including those at work and those unemployed and seeking jobs, totaled 4,973,000 in April, 17,000 more than in the preceding month and 213,000 above the April, 1952, level.

Beginning May 25, Smith said, the Ingewood office at 319 E. Hillcrest Blvd. will open a window especially for students.

Students Chosen To Reign Over El Camino Dance

Judy Steren and Willie Suzuki, both 19, have been selected to reign as Empress and Emperor over the El Camino College Emperor's Ball tomorrow night. Miss Steren, the daughter of Mr. and Mrs. John R. Steren of 15903 Orchard St., Gardena, and Suzuki, the son of Mr. and Mrs. Kishiburo Suzuki of 1632 W. 192d St., Gardena, are both graduating sophomores from the college. Their selection by the college inter-club council was made on the basis of the students who have contributed most to the school during their junior college career. Miss Steren is an art major while Suzuki plans to become a teacher. At present Suzuki is student body president of the college and last fall was president of the Associated Men Students. He is a member of the Phi Sigma Upsilon Fraternity. He has represented the college at many state-wide student government conferences and on other occasions. Miss Steren is currently the college commissioner of activities and is chairman of the Inter-club Council. Last semester she was vice-president of the Associated Women Students and was a member of the Newman Club. She is also a member of the Gamma Phi Delta sorority, for which she has held the office of historian and president in the past. She has represented the college, as has Suzuki, at many student government conferences.
